**I**t may at least be said that the experience of college is unique in man's mortal existence. Apart from the imminent significance of its very presence and from the wonder and fear of its passing, college life exerts upon the individual a force, like a vast cosmic gravity acting upon a single stellar entity, interacting according to the nature of his energy. Invariably transitional, generally disciplinary, college is a going-away party and a survival course meeting just inside the gate of a sheltered garden, opening onto a flat plain. Our own experience, peculiar, dear to the point of jealousy, we explore, enlarge, enjoy, exhaust, and later, eventually, remember.

## ALMA MATER

Fairest of all  
is our dear Mississippi,  
rising in state as the crest  
of a hill;  
staunch as a rock  
is our dear Alma Mater—  
'round her so noble  
our hopes ever live.  
When, in the future,  
our hearts may be yearning  
for the bright scenes of our dear  
college youth,  
back to thy portals  
our memories turning . . .  
clear gleams  
thy beacon of virtue and truth.

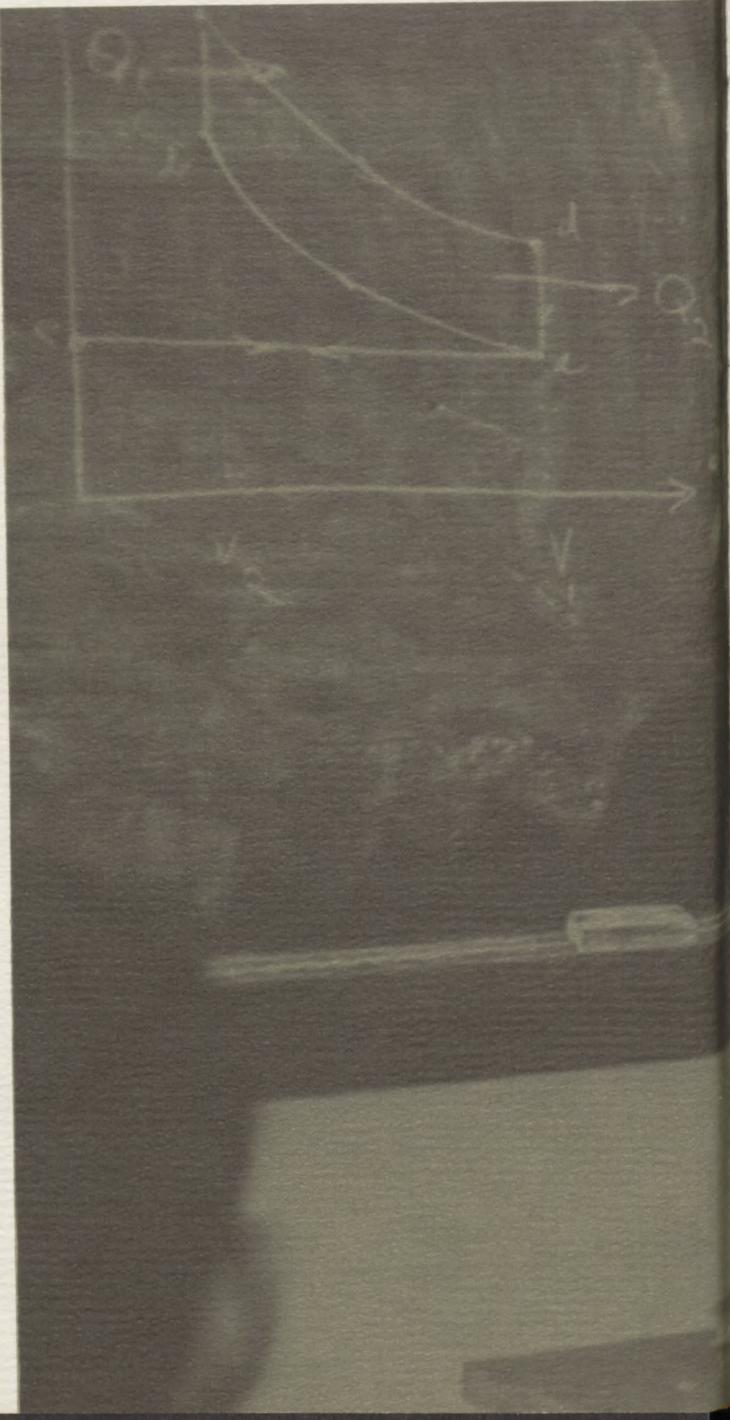

M.C., we hail thee,  
our dear Mississippi,  
queen of our hearts,  
no foes shall alarm;  
faithful and loyal,  
thy children will ever  
cherish thy memories,  
acknowledge thy charm.

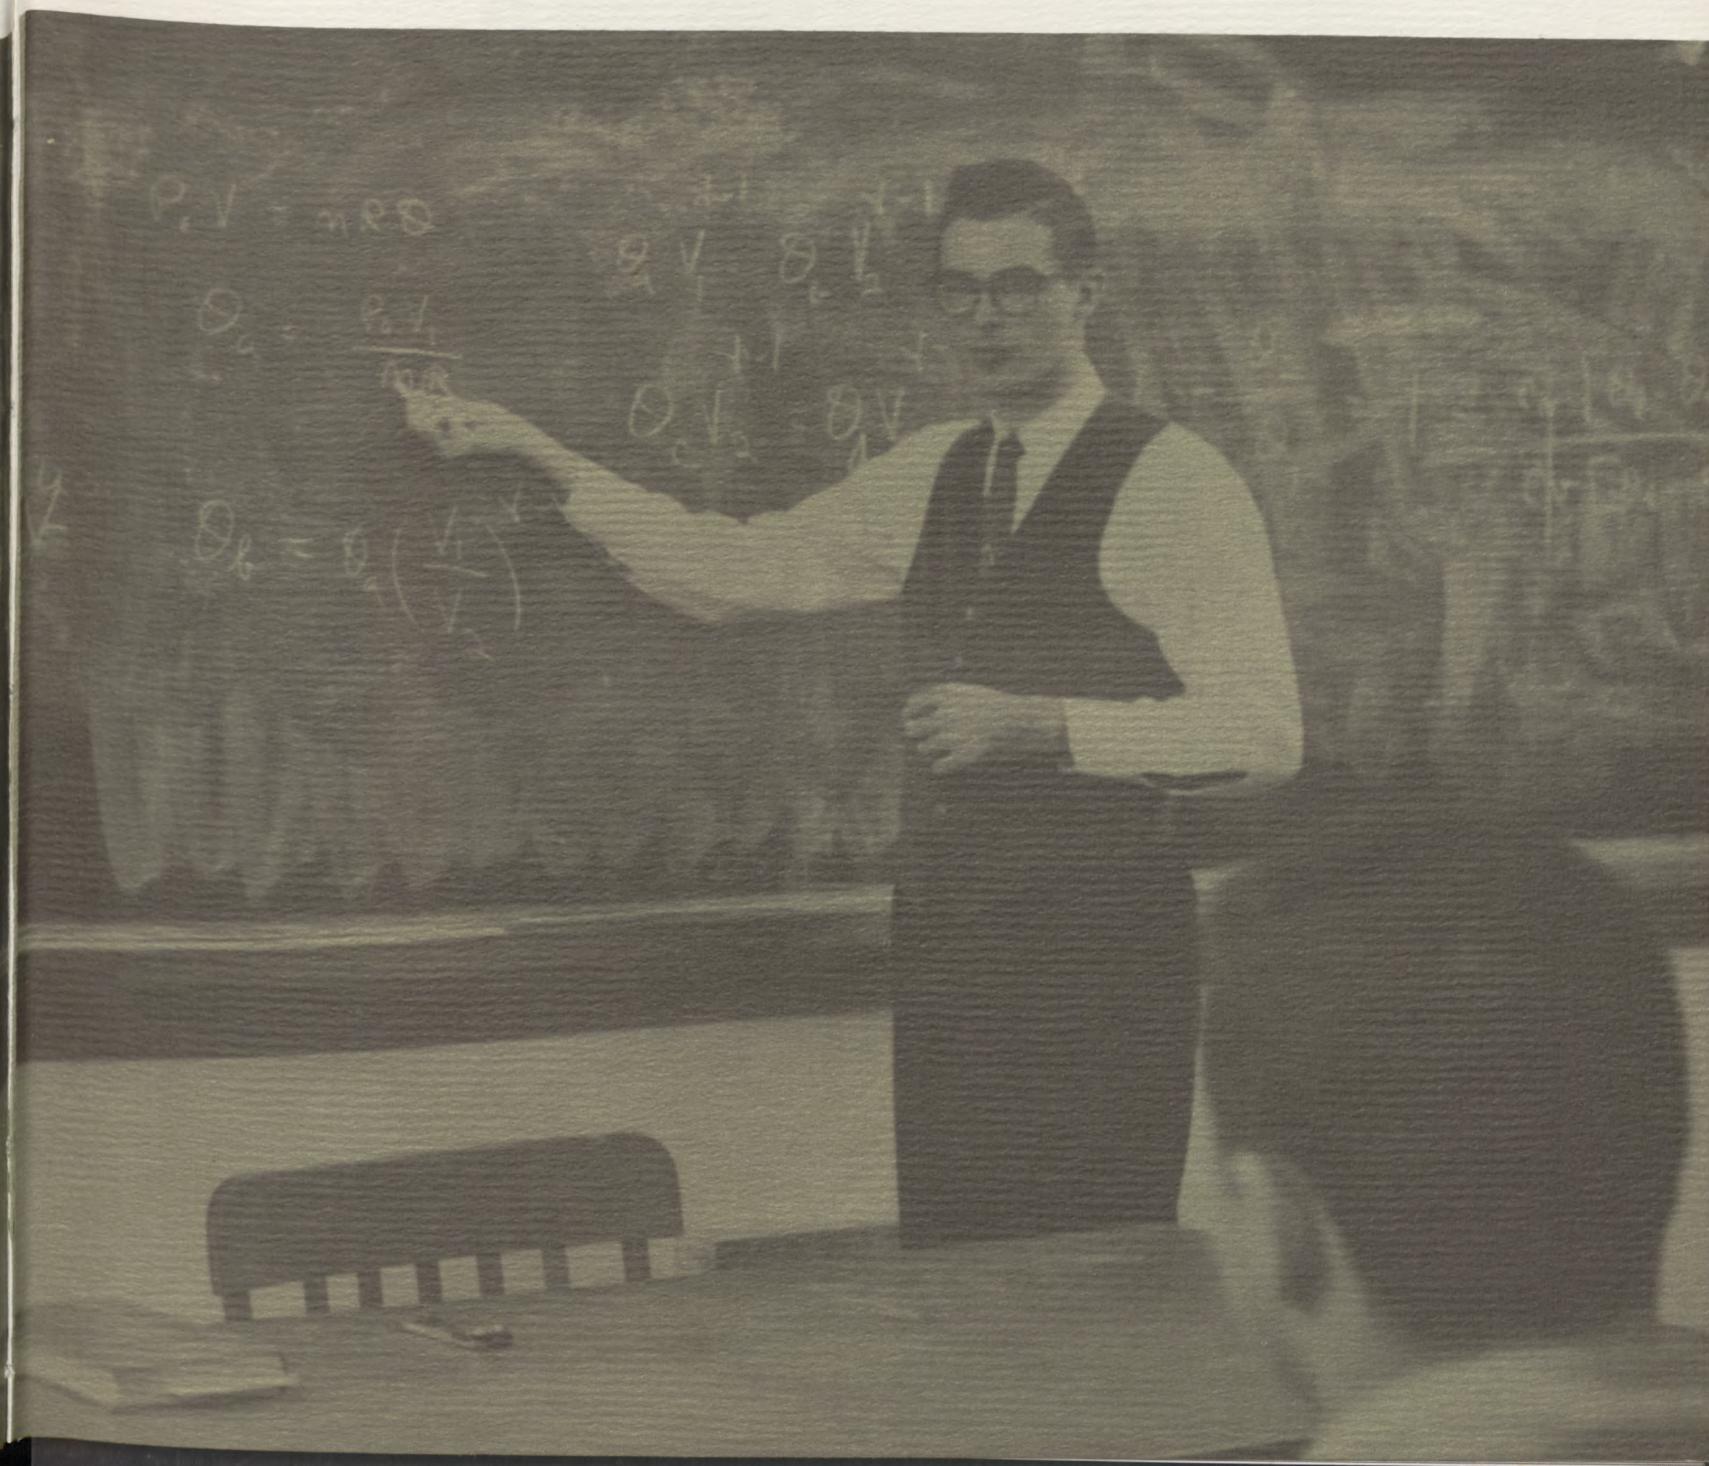

Composite, chaotic, organic, mechanical . . . infinite qualification expressing vitality, discipline, structure, thought, and what else? Rhetorical questions defy resolution; analysis declines inadequate and silly to attempt a definition, certain of this alone. And in the maturity of our career, we think about college, and slowly achieve the wisdom that all we can know for sure is that we cannot be sure of anything, only think. But we like to think about college.

# WHAT,

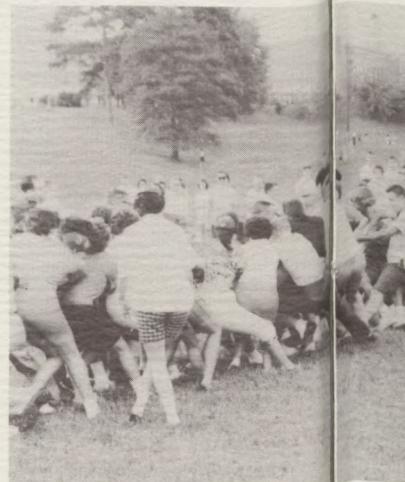

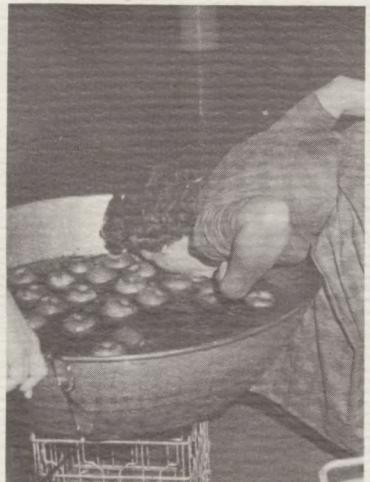

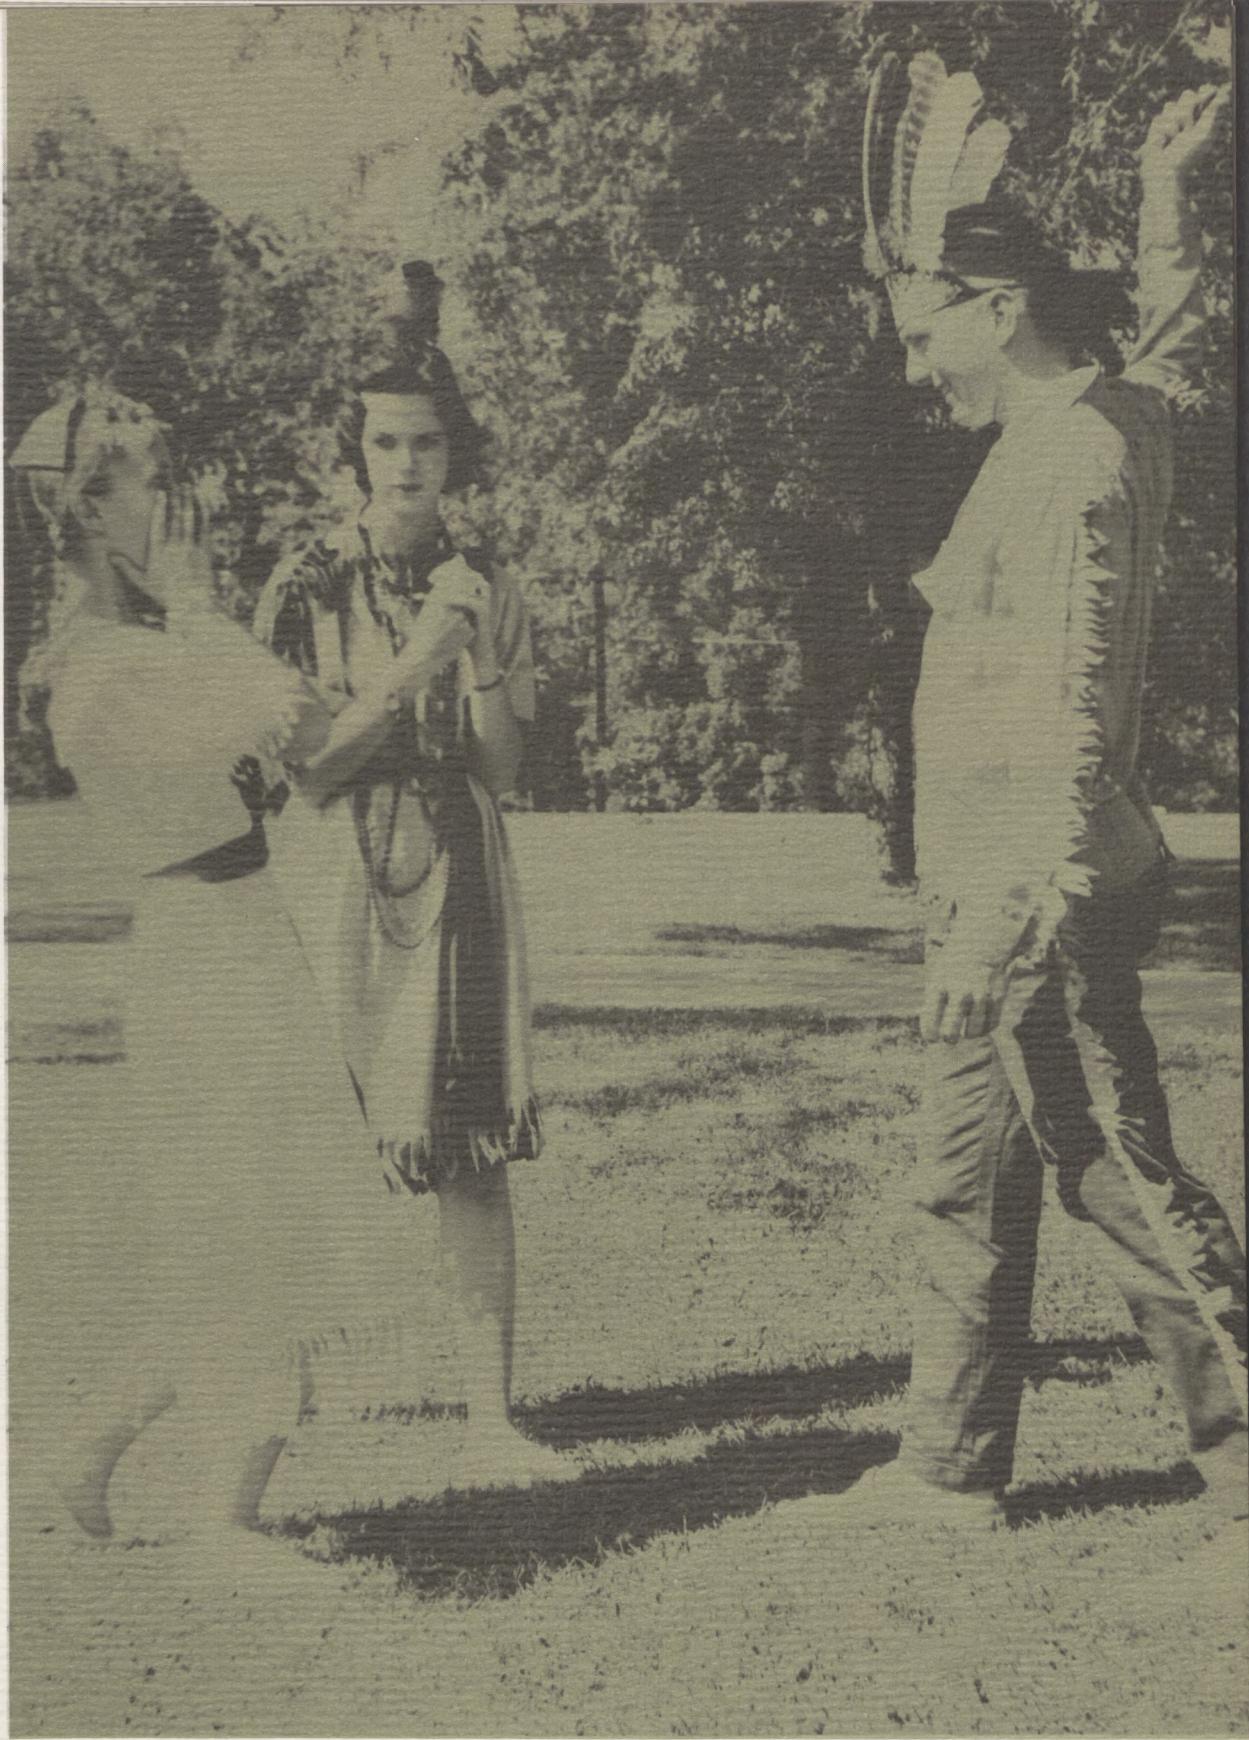

# THEN, IS COLLEGE?

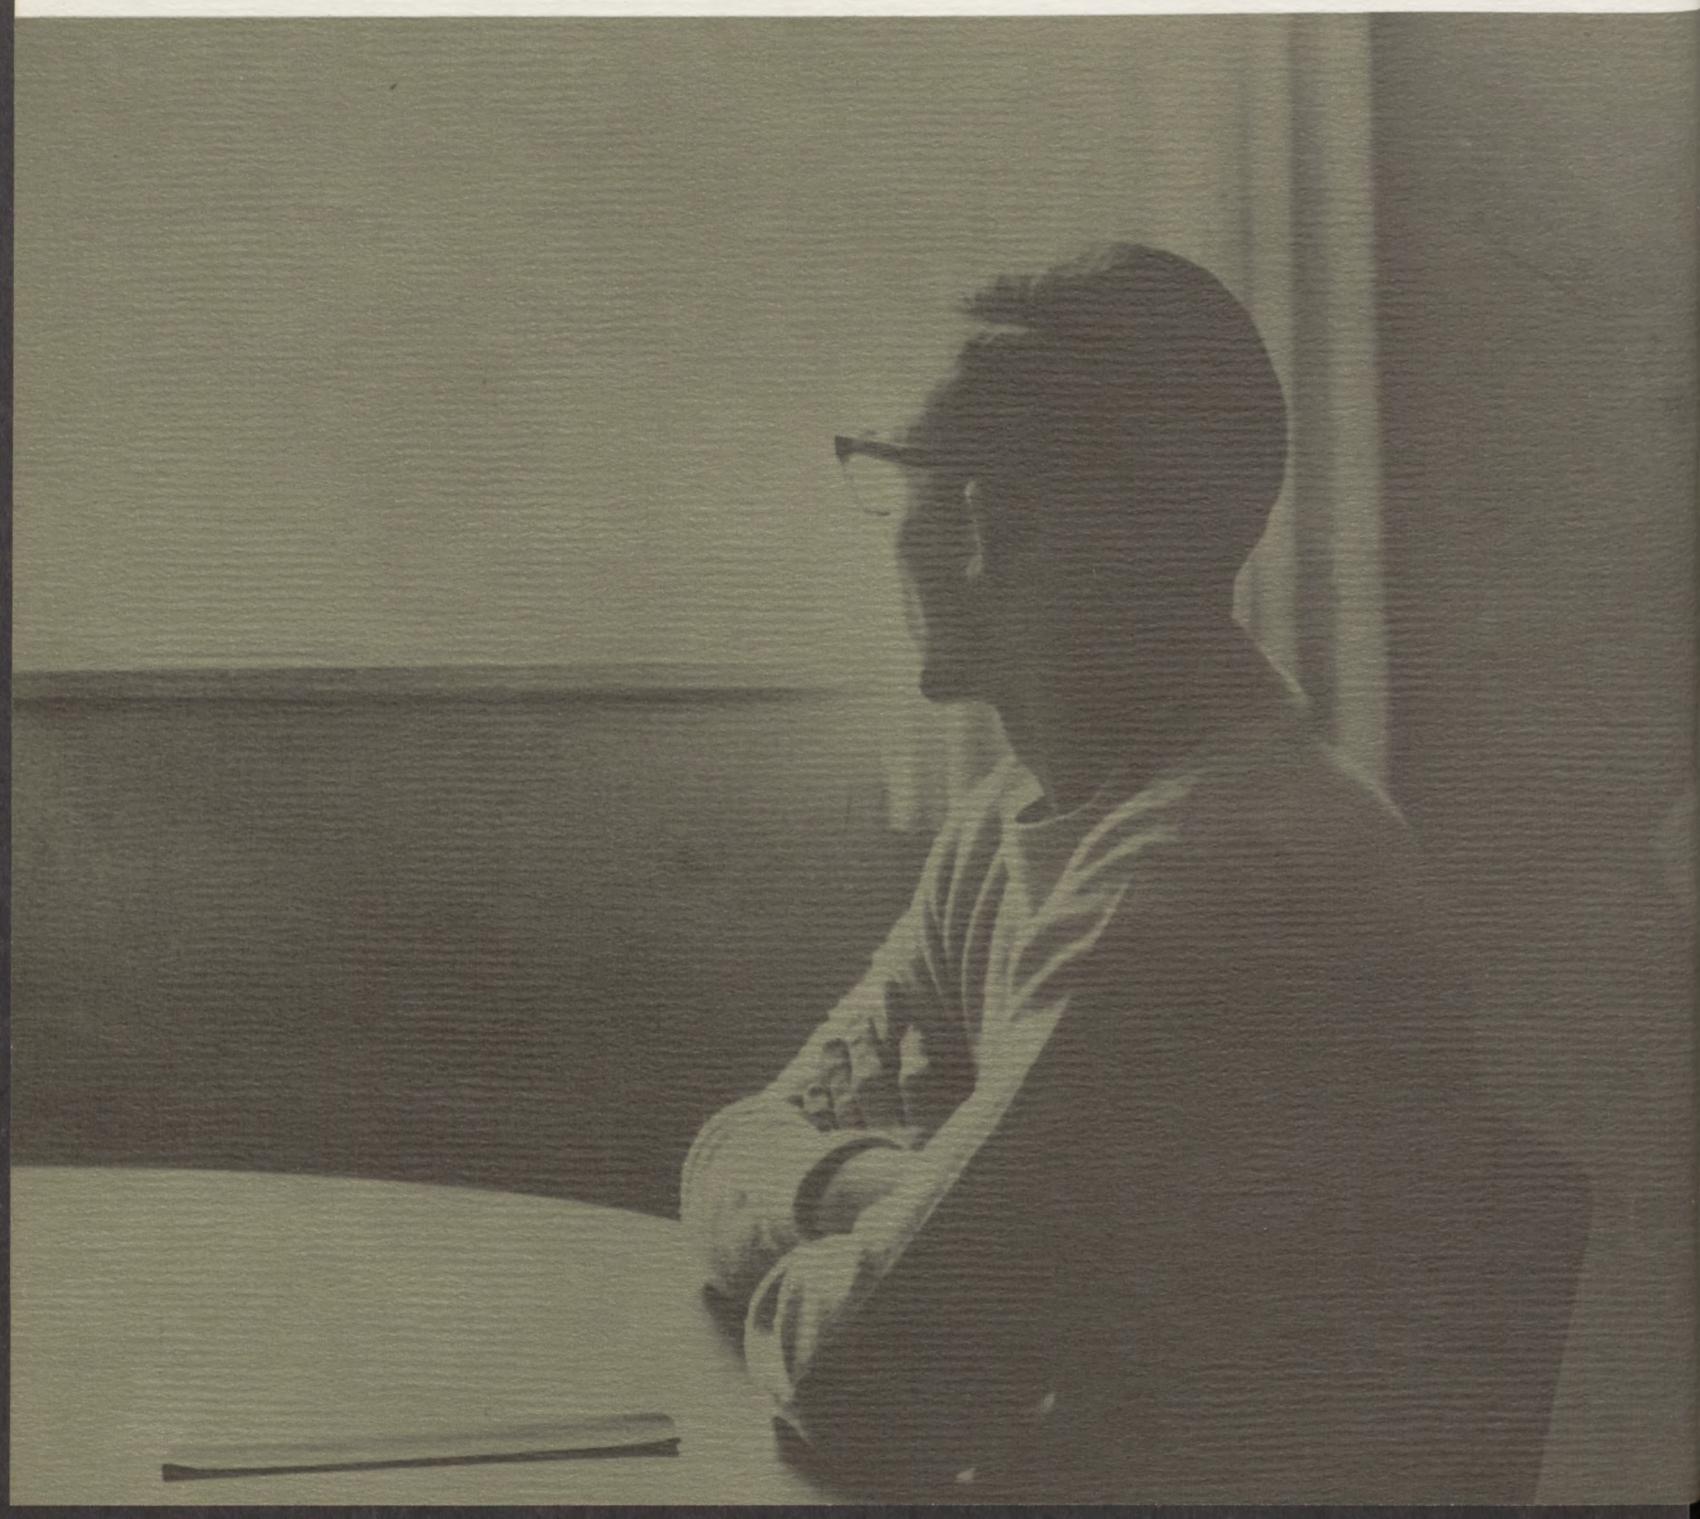

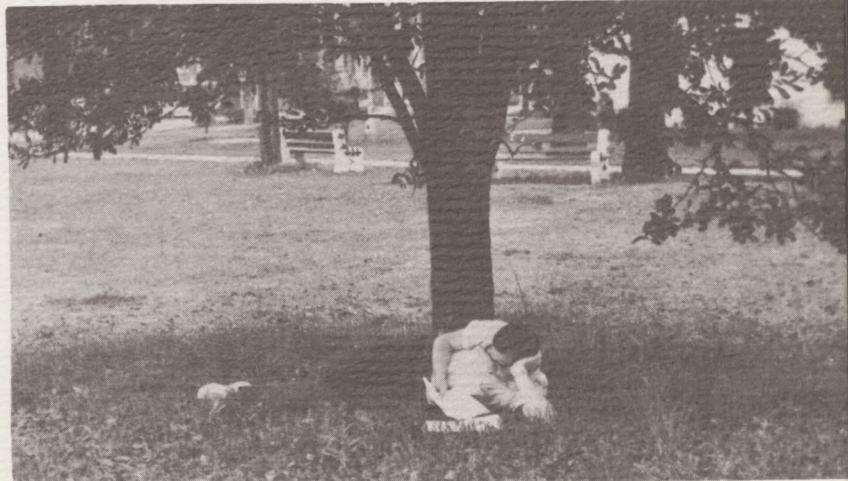

*Childhood's end--a final trauma to shake  
a shaping self--is heard, reverberates . . .  
is gone, only to echo now and again  
on a high, warm, shiny spring day  
or a long, dull evening around the dorm.  
But we have put away our childish things,  
our play, dependence, puppy love, innocence,  
for wisdom, and mortal responsibility.*

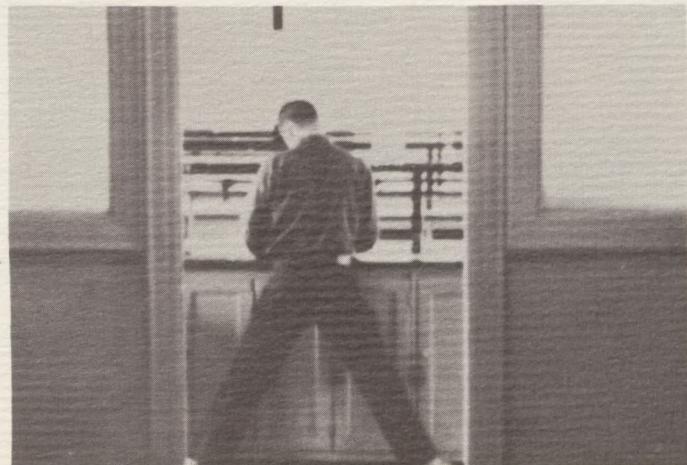

*We speculate--an apt word--speculate  
on life and death, now virtue, now on sin . . .  
approving selflessness, condemning sloth;  
with gusto beyond mere righteousness we argue  
science, gospel, logic, creeds, abstractions,  
largely for argument's sake, a collegiate convention;  
but agreeing, unexpectedly, to place  
all trust in reason: and secretly reckon with faith.*

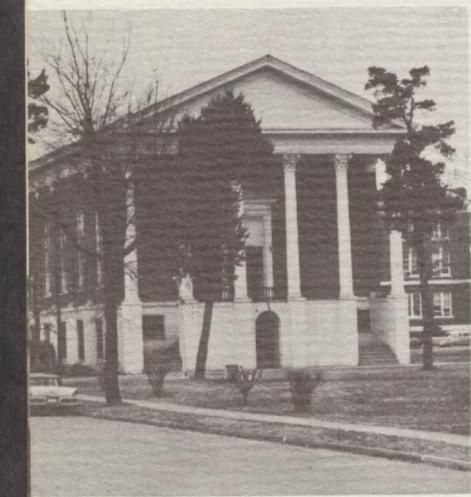

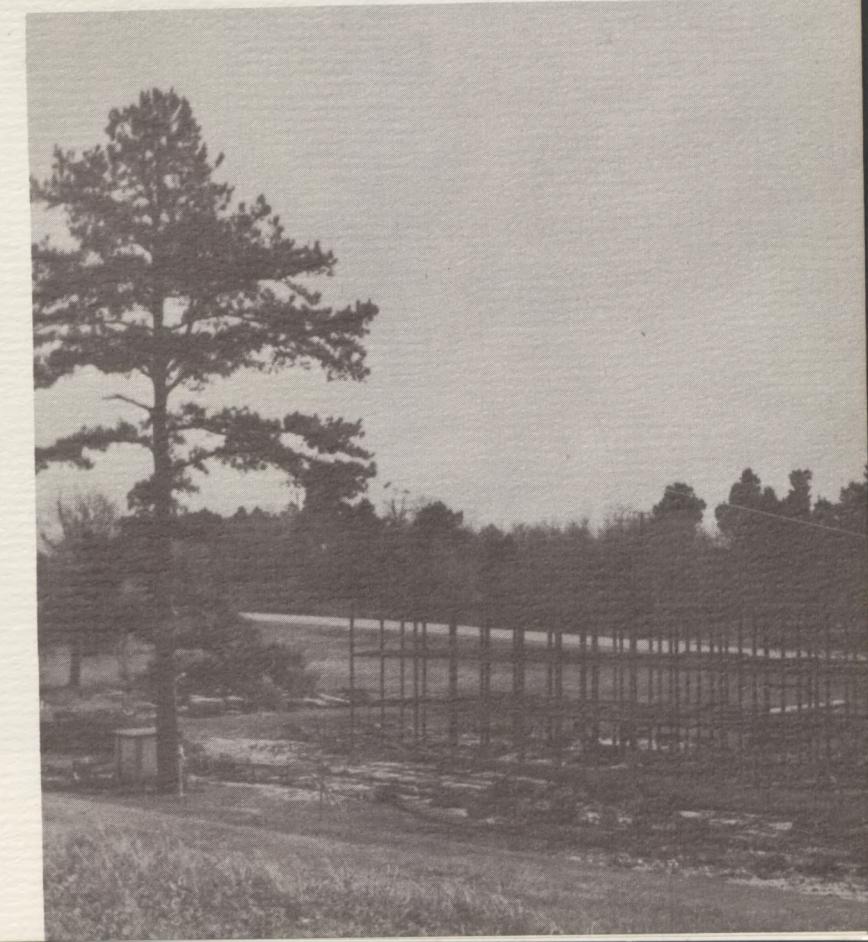

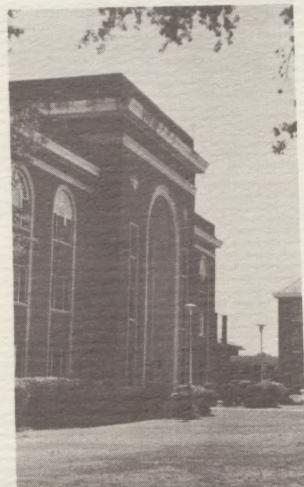

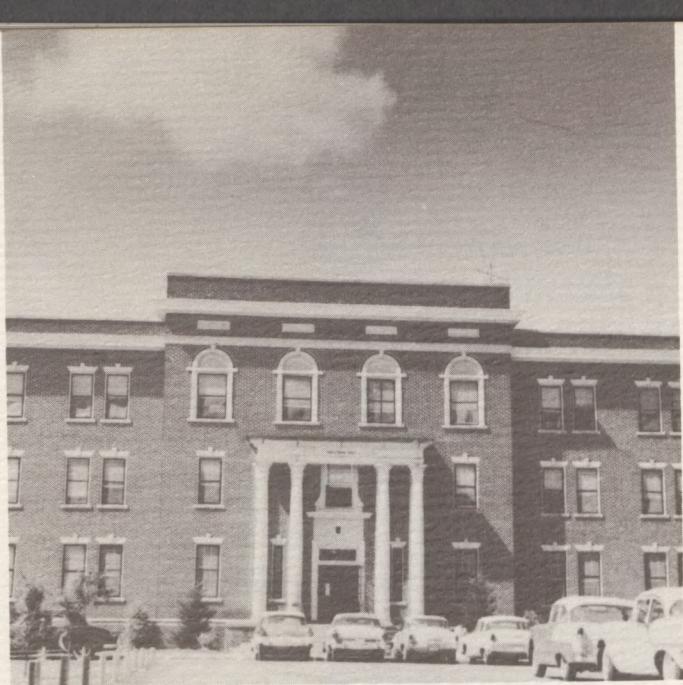

*Beyond those gates the world accomplishes  
the passage of time, all indifferent  
to what we do within; our scale existence,  
a play within a curtained stage appeared,  
but now is life; and that without, a play;  
their laws, dreams, morals, arts, their very  
gods  
no more than comic masks of our ideals.  
And we are being forced to learn to act.*

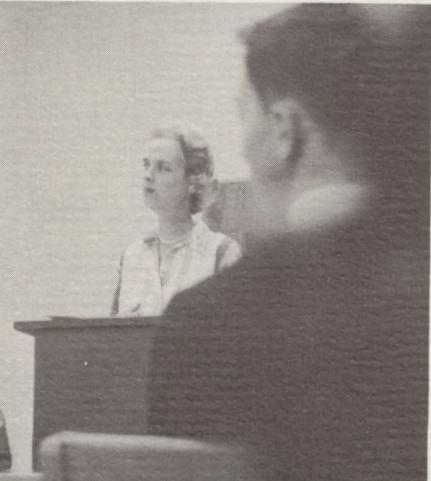

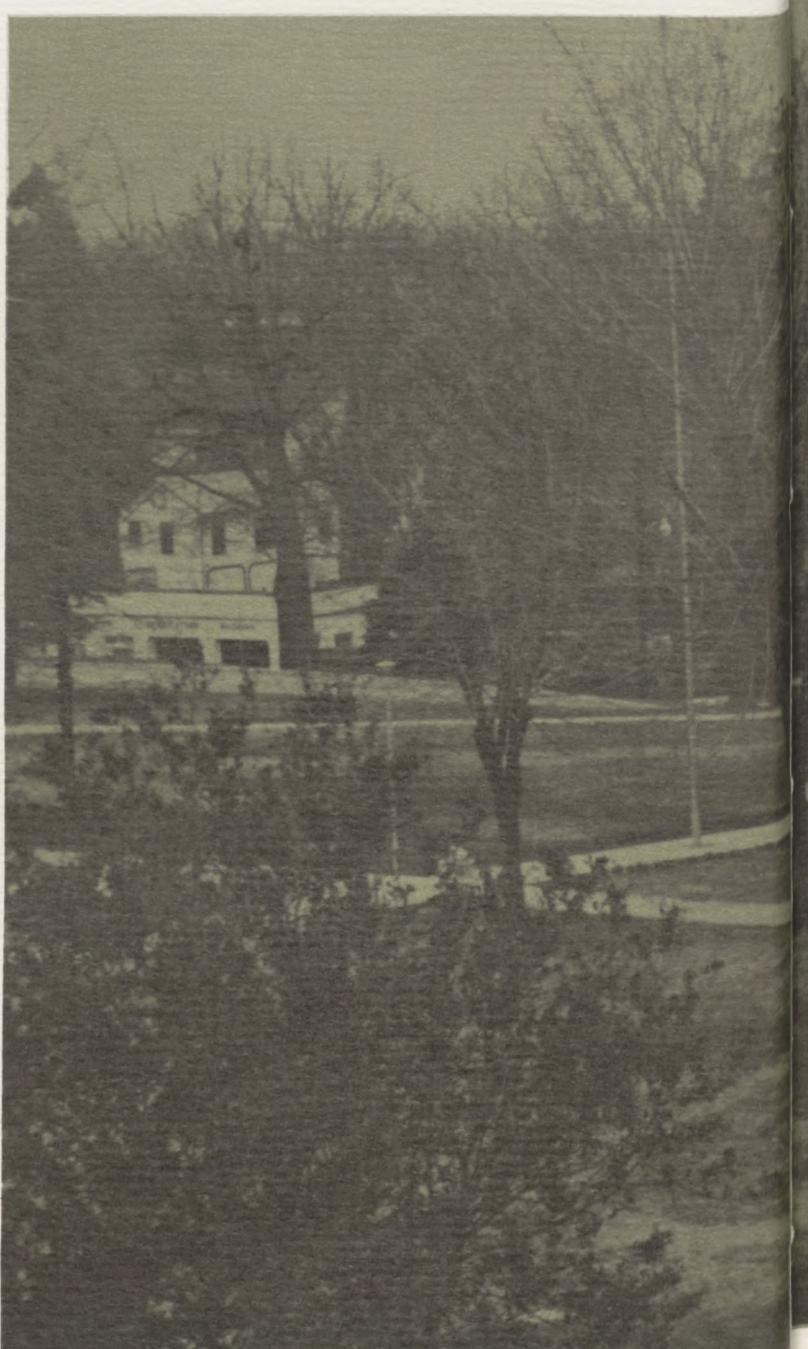

*Surely it signifies something, that these trees,  
these buildings and vistas have watched the  
passing of summers  
before a summer existed, as such, for me;  
that cedar and brick and white perfected a  
hot  
September afternoon for men who were  
but aren't, who now are grass. A vast, clay  
creature  
victorious over man and time and me . . .  
I know his essence: I, the student, am  
his breath; at my death he is dust, mold, rust.*

Defying definition, college is  
a place, a life, a force, a fantasy;  
has been a dream, a name, a choice, a fear;  
will ultimately be a memory  
of benches, clocks, bricks, books, and friends,  
of lines and love and lectures, labs, and  
coffee,  
the Wig at half past nine, the Torch at  
twelve,  
and weekends, football, chapel, finals,  
church,  
and cheering, voting, singing, being a member  
for a moment of a class now gone for ever.  
Not now, but from now on, this is college:  
a memory of our hurried, happy youth.

# DEDICATION

This tribute is appropriately titled, for its subject is a dedicated person—an undeniably good person who has devoted much of a lifetime to the unselfish service of teaching. Sincerity, straightforwardness, and a genuine generosity lend depth to a good nature enriched with a refreshing sense of humor. It is with great fondness and appreciation that the 1962 **TRIBESMAN** is dedicated to Dr. Gertrude Lippert.

## Dr. R. A. McLemore

President

Limitations of human expression restrict an adequate statement of the tribute and appreciation due Dr. R. A. McLemore. Beyond a superlative execution of the ordinary duties of a college president, Dr. McLemore has achieved still more: he has through his sincere and joyful Christian character and through his unselfish and energetic devotion to his work, his school, and most significantly to his students, won the deserved respect and love of those who know him and his work. Truly fortunate to be under his inspiring leadership, Mississippi College is entering now a new era of achievement and growth.

# IN MEMORIAM

*Greater love hath no man than this, that a man lay  
down his life for his friends.*

—JOHN 15:13

DR. GRADY COX

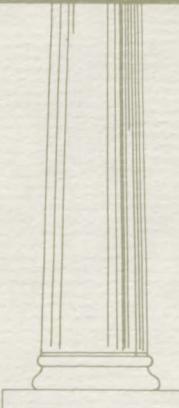

DR. CHARLES DEEVERS

*What is college?  
A line  
Generations long:  
One end fades in a tintype,  
souvenir past . . .  
The other I seem to lose in the  
evening sun.*

*Children  
Brash, impertinent  
Butt ahead of us in line  
But we in justice can't protest  
the way  
We came to be in line ourselves,  
once.*

## Gracious Living in the Residence Halls

The Temples start a decorative reconstruction after the Chrestman Open House.

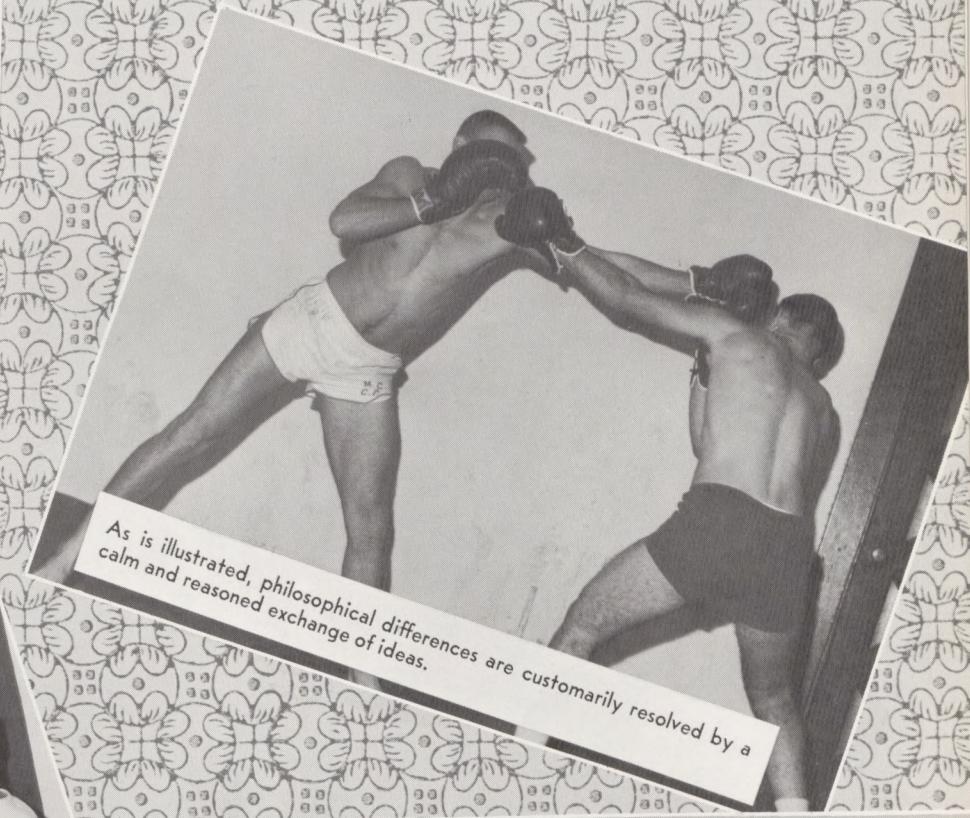

Dapper Chrestmanites instinctively attire themselves in the utmost taste, even in relatively informal dormitory life.

As might be expected, a spirit of honor and sportsmanship reigns supreme in the halls of truth and virtue.

As is illustrated, philosophical differences are customarily resolved by a calm and reasoned exchange of ideas.

Immaculate and debonair residents are known definitely to bathe at least twice monthly, to shave even more often.

Billy "The Weasel" Wallace—Specialist in extortion, blackmail; dated and found out intimate information for blackmail of some 112 girls in one semester.

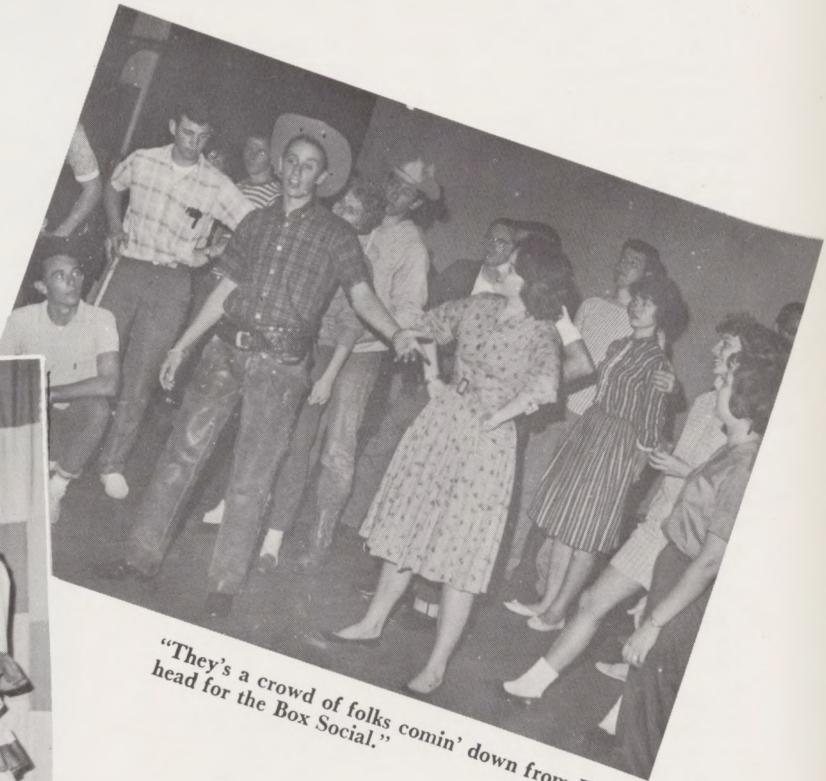

The TRIBESMAN, once again scooping the *Collegian*, now makes this year's most startling exposé! Incredible but true, all has not been the accustomed concord and virtue within these hallowed halls this year, for there has been operating within our apparently upright and honorable senior class a well-organized and ruthless gang of desperadoes, bitter, cruel, arrogant, cocky, mean, vain, and insufferable beyond belief. Here, now, is their grim organization.

## PARADE OF FAVORITES

In a colorful and entertaining program entitled "Over the Rainbow," the TRIBESMAN presented to the Mississippi College student body the students' choices for Mr. and Miss Mississippi College, Beauties, Superlatives, and Favorites.

Appearing as a highly popular Master of Ceremonies for the program was Harold "Bad News" Taylor. Harold led a cast of exceptionally talented performers to make Parade of Favorites for the first time as entertaining as it was suspenseful. Dee Cole and Louis Reno, stars of *Oklahoma*, sang once again

the favorite "People Will Say We're in Love." The Bad Boys, winner of the Circle K talent show, were favorites, as was Allie Ruth Booker, who belted out "Basin Street Blues" to a tremendous ovation. Ray Dykes also appeared, singing "Kansas City." Not to be overlooked is Rookie Stowers, a member of the Bad Boys, who demonstrated his talent and versatility by accompanying and performing on his own. The show was a tremendous popular and financial success, and met with the enthusiastic approval of a large audience.

## THE 1961 FOOTBALL SEASON

Head Coach Hartwell McPhail guided the Choctaws to the best grid season Mississippi College has ever known in 1961 as they finished with a remarkable 8-1 record. This gives McPhail a mark of 21 wins, five losses, and one tie in his three year tenure on the reservation as he and his valuable assistants have completely revolutionized Mississippi College as a football power in the deep South. Having compiled an outstanding record of 85 wins and 35 losses in prep grid circles, including two Big Eight Conference Championships, McPhail brought his winning tradition to MC with the promise of even greater accomplishments in the future.

Coaches James Parkman, Bernard Blackwell, Ken Bramlett.

# HONORS AND AWARDS

Rolling over their first four opponents unscored on, the Mississippi College Choctaws went on to complete the greatest football season in the history of the school. Not since 1927 has a Choctaw team equalled this year's tremendous 8-1 record and never before has an MC eleven enjoyed such a degree of success. With a rugged, battle-hardened, veteran line completely stifling every offensive effort of the Choctaw foes, while opening gaping holes for the MC backs, the Braves whitewashed the Austin Kangaroos, revenging a setback last year, and three Arkansas grid powers to open the season.

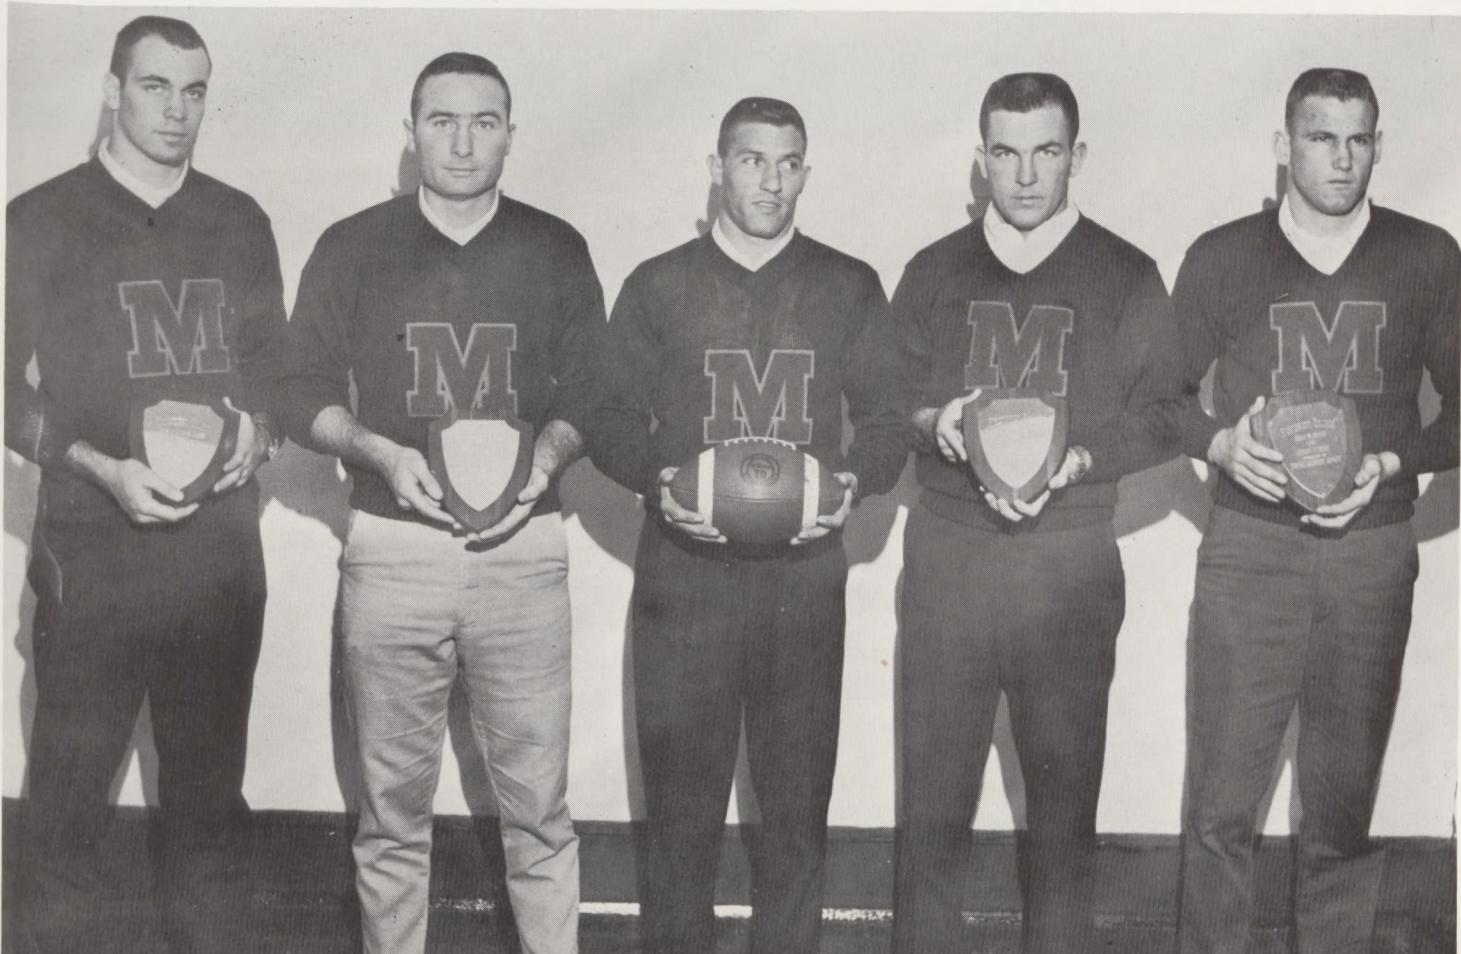

The fifth contest proved fatal, however, as Quarterback Alton Greenlea, Little All-America and Most Valuable Player, was injured. But, after resting out an open date, the Chocs roared over four more victims with relative ease, climaxing the season with a 42-7 trouncing of highly regarded Sewanee. In nine games Mississippi College compiled 209 points to 61 for their combined opposition, was never topped in passing yardage, and was out-gained on the ground only once.

Greenlea and 200-pound Fullback G. T. Thames were the nucleus of the versatile, unstoppable Choctaw passing and running attack and co-captained the '61 Braves. Thames was also selected as the Best Defensive Player on the team as he destroyed numerous enemy plays from his linebacker position before they got started. Guard Jerry Foshee, a converted end, proved just as capable at his new position this year as he was named the Best Blocker. Sophomore Tackle Bob Bobo was chosen the Most Improved Player and Center Mart McMullan was awarded the Sportsmanship Trophy.

Co-Captains Alton Greenlee and G. T. Thames.

Bob Bobo—Most Improved Player  
G. T. Thames—Best Defensive Player

## CHOCTAWS CRUSH ARKANSAS A & M 27-0

Traveling to Arkansas A&M for their opening battle, the mighty Mississippi College gridders trounced the Boll Weevils by a solid 27-0 score with an awesome display of speed and power. Capitalizing on a blocked kick, the Choctaws moved the ball to the one yard line in the second quarter and G. T. Thames charged over for the initial touchdown of the season. Later the same period Halfback Billy Kelso intercepted an Arkansas pass and returned it to the 40 to set up another six-pointer. Kelso carried for paydirt from the 25 and Paul Pounds kicked his second consecutive extra points for a 14-0 halftime lead. Thames and Halfbacks Norman Minton and Benson Holland paced the Choctaws offense as play resumed, marching steadily down the field to the 15. Quarterback Alton Greenlee slipped over right tackle from that point and a last quarter TD by Kelso just made the defeat more decisive.

## SOUTHERN STATE MULERIDERS WHIPPED 20-0

Making their second straight trip into Arkansas, the Choctaws white-washed the Southern State Muleriders 20-0, compiled on three touchdowns and a safety. The going was tough in the first half which was marred by numerous penalties, fumbles, interceptions, and blocked kicks, but Mississippi College managed to cross the goal line with 25 seconds remaining. Alton Greenlee fired an aerial to Billy Kelso on the 10 and the versatile quarterback carried over on the next play. Benson Holland took over the show with a brilliant performance in the second half, almost going all the way several times with kick-off and punt returns, and setting up the final TD on the receiving end of a pass from Greenlee to the 38. After Thames and Greenlee picked up first downs, Holland crashed into the end zone from the four. Heads-up defensive play by Billy Hardin and Billy Newman nailed a Southern State back for a safety late in the game to complete the scoring.

## AUSTIN KANGAROOS BEATEN 29-0

In their first home game of the season, the Choctaws revenged one of last year's losses with a walloping 29-0 victory over the Austin Kangaroos. In 1960 the Kangaroos scored three touchdowns in the last quarter to nip Mississippi College 20-18 for their first of two setbacks, but the story was entirely different this time on a wet Robinson Field. The winning eleven battled through the rain to score twice in the first period, jumping ahead in the first minute when Austin fumbled on the five yard line two plays after the kickoff. Fleet-footed Benson Holland broke loose to the ten late in the quarter and then scored on the same play from the eight. After End Mike Vinson blocked a Kangaroo punt on the 17, Greenlee passed to Billy Newman who was all alone in the end zone. Charles Underwood ran a two-point conversion to make the score 22-0 at the half. MC took advantage of another Austin fumble in the final stanza and Greenlee made it materialize as he scored four plays later. Paul Pounds booted his third extra point of the night.

## CHOCTAWS ROLL OVER HENDERSON 13-0

The tough Baptist Braves continued to roll with their grinding offense as they trounced their fourth consecutive opponent, remaining unscored on as a result of the Chocs impregnable defense. Henderson College of Arkadelphia was the victim this time, falling to the Mississippi College Warriors by a 13-0 count. Though threatened several times by the undefeated Reddies, the Choctaw line held strong and kept their goal line uncrossed. Greenlee broke the ice with an 11 yard jaunt to six points midway in the second period. Though the winners almost scored several times on long runs by Benson Holland and Charles (Tiger) Garrett, they failed to scratch the scoring column again until late in the third quarter when Fullback Clem Stovall broke loose and went all the way.

## CHOCS SCORED ON BUT WIN 22-6

Returning to their home gridiron for an engagement with the Southwestern Lynx of Memphis, Mississippi College marched over the helpless visitors with ease, picking up two touchdowns in the initial period. But despite their one-sided triumph, the Chocs yielded their first score of the season after four undefeated, untied, and unscored-on games. At the midway point of the year MC had totaled 111 points against six for their combined opposition. The Choctaw defense was baffled for the first time by some fancy Southwestern ball handling and allowed an enemy pass receiver to get loose for a 63-yard scoring play in the second quarter. That play accounted for most of the Lynx offense as they were held to 97 total yards while the Braves racked up 371. After a pass from Greenlee to Pat Watts moved the ball into scoring position, dependable fullback G. T. Thames plowed over from the six two minutes into the game. Early in the second stanza, Greenlee faked three successive times to the big fullback and then handed off to him on a scoring play from the four. Charles Garrett tacked on the final touchdown of the homecoming victory with a sweep around right end and Clem Stovall ran for the extra point.

## BRAVES SUFFER LONE DEFEAT 21-6

The five game winning streak was abruptly halted the following week as a lame Choctaw team fell to Jacksonville (Alabama) State 21-6. The Chocs were not at full strength and despite a commendable job turned in by Quarterback Charles Garrett, Mississippi College was not able to match the much bigger Gamecocks. Driving 73 yards in the first quarter, Jacksonville tallied on a 38-yard pass play then ran back a Garrett pass 48 yards to paydirt in the second. On the short end of a 14-0 score, the Braves began a successful 76-yard march midway in the third period. Key plays leading up to the TD were a 32-yard aerial from Garrett to Thames and a 14-yard keeper to the 11 by Garrett. Quarterback Jack Root carried the final four through the middle of the line. Determined to hold the score down, the Choctaw forward wall held for seven plays inside the ten yard line before giving up the final Jacksonville marker.

## CHOCTAWS SURPRISE HOWARD 15-14

The Braves retaliated from their lone defeat by sweeping the last three games with decisive triumphs. A highly regarded Howard Bulldog eleven was upset for the third year straight, this time by a narrow 15-14 margin in the most exciting contest of the season. Howard took an 8-0 lead after a two-point conversion climaxed a 65-yard drive but Greenlee evened the count with a two-point roll out in the second quarter following Billy Kelso's TD smash over tackle. Neither team was able to master a successful threat again until late in the fourth stanza when Charles Garrett pounced on a Bulldog fumble on the 40. With Kelso and Greenlee moving most of the yardage behind an invulnerable line the Chocs went all the way to go ahead 15-8. The valuable quarterback slipped the final yard and Paul Pounds booted the point. On the kick-off MC got caught flat-footed as Howard Halfback Julius Head returned it 80 yards down the side-lines to make the score 15-14. A kick would have tied it but Howard went for two points and victory, and failed. Jimbo Robertson knocked down the crucial pass to cinch the win.

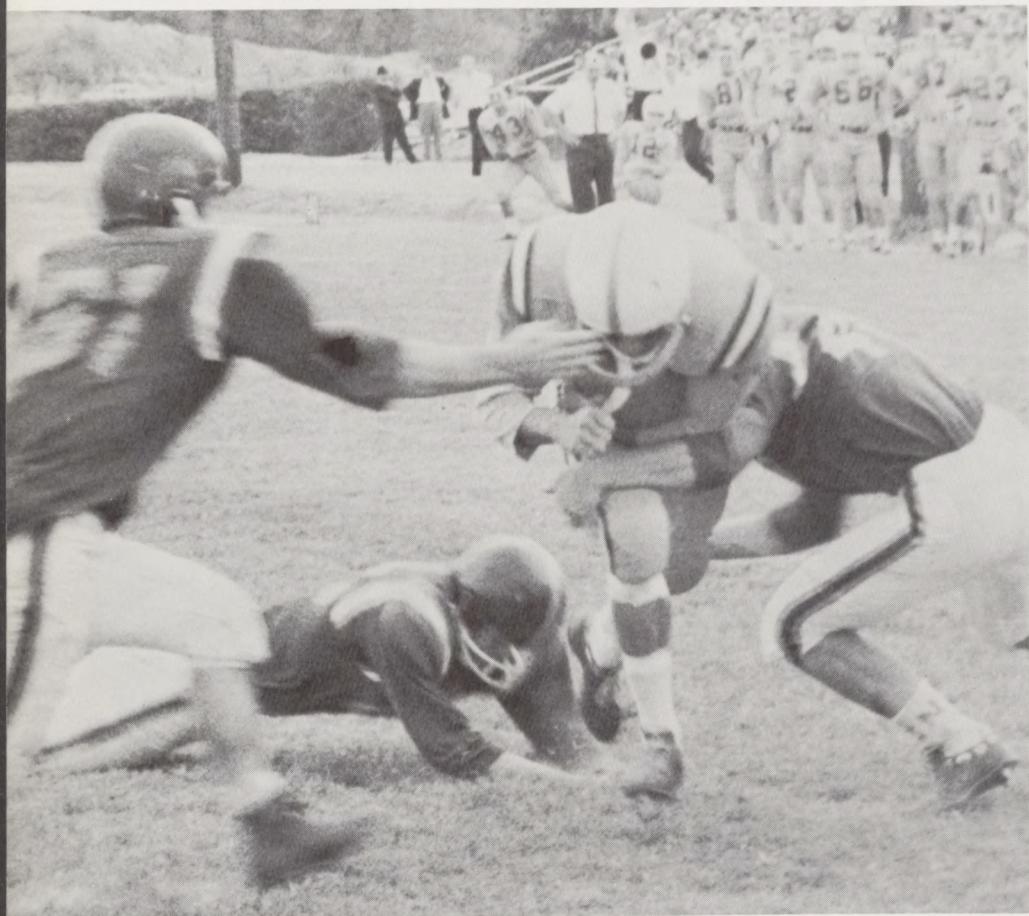

## CARSON-NEWMAN BOWS TO MC 35-14

Playing before a television audience in their final home appearance, the Chocs had to come from behind to top the Carson-Newman Eagles, and once they did they couldn't be stopped as they routed the visitors 35-14. The Eagles turned a fumble and a blocked punt into touchdowns in the first period to take a 14-0 lead but Greenlee, Paul Pounds, and G. T. Thames combined to give MC a 15-14 advantage at intermission. Greenlee connected on five of five passes in the second half with three of them for touchdowns to Pounds. Halfback Charles Underwood hauled in an aerial on the 24 to set the stage for the first TD toss, Benson Holland threw to Pounds on the 38 before Greenlee took his turn again early in the fourth, and then the final marker came on a 25 yader. Pounds booted two of the PAT's and one was wide.

## CHOCTAWS STOMP SEWANEE, 42-6

Mississippi College unleashed their most powerful attack of the year as they climaxed the grid season by stomping Sewanee 42-6. The Choctaw forward wall completely crippled the Tennesseans' single wing offense as the Baptist Braves scored almost at will. Quarterbacks Alton Greenlea and Charles Garrett set the Tigers on their heels early in the first period as Greenlea broke loose over tackle for a 60-yard scoring jaunt and Garrett returned a punt 85 yards for another quick touchdown. Before the quarter ended James Merritt had set up another TD with a 20-yard ramble and then moments later carried over from the one. As the second half opened, the Chocs drove 80 yards in 13 plays, with Halfback Norman Minton providing the big yardage and the six-pointer from the one. Greenlea heaved a pass to Paul Pounds and Jack Root threw to Billy Newman for the final couple of touchdowns in the one-sided romp. Pounds, Greenlea, Root, and Dwain Acker contributed the extra points.

COACH JAMES Q. ALLEN

## BASKETBALL

The Choctaw cagers took on an unusually rough schedule this year and came out on the short end of the score more times than not. Coach James "Stute" Allen fielded a team just as good, if not better, than many of his more successful teams of past years, but found the initial year in a class of superior competition fatal, as the Chocs finished the year with seven wins and 13 losses. Bad breaks prevented the Braves from winning many close games that could have gone either way, but even then, the Chocs fought valiantly and never gave up even though they were shorter than any of their opponents. Several highlights of the season included a couple of exciting victories on the home court where the fast-breaking Mississippi College quintet proved to be a real terror. The Chocs downed the Georgia All-Star Rebels 113-106 and then romped over bitter rival Delta State 105-86 late in the season.

Led by Sherrill Marshall and Al Sheffield at the forward positions, MC averaged 91.5 points a game over 20 contests, breaking the century mark four times. Marshall averaged 21.9 points per game and Sheffield bagged an average of 21.2 to pace the scoring parade. Playing before a high-spirited home crowd, the Choctaw cagers completed the season with two decisive triumphs, beating Howard College 96-78 and St. Bernard 99-83.

First Row: Gerald (Ace) Austin, John White, Bobby Nelson, Al Sheffield, Elmer Cook, Sherrell Marshall, Charles Davis, Truitt Powell. Second Row: Skip Partridge (Manager), Fred Shirley, Luther Epting, Larry Moore, Jerry Henderson, Ken Sodergren, Billy Rhodes, Tom Lee.

1962 Baseball Coach Ken Bramlett.

Coach Stanley Robinson ended his active coaching career in producing the 1961 Choctaws. This season, despite key injuries, they compiled a respectable six and twelve record. A team which produced team play instead of individual stardom, these 1961 Chocs are to be commended for a fine season. They were led at the plate in batting average by Russell Purvis and in extra base hits by Billy Earnhart. Alton Greenlee was the most outstanding pitcher and Milton Bradley was one of the many defensive stars. The infield was handled adequately by Kenny Pittman, Milton Bradley, H. T. Busby, William Quisenberry, and Gerald Austin. The outfield was stalwart because of such men as Russell Purvis, Charles Foreman, and Vonnie Breland. Billy Earnhart was the catcher. The mound staff was bulwarked by Alton Greenlee, Jerry Nevels, Jim Hussey, Paul Pounds, and John Bowlin.

At the end of the 1961 season Coach "Robbie's" coaching career was ended. To fill these respected shoes, MC went to Forest and persuaded Ken Bramlett, a former Choctaw himself, to take over. Bramlett has the complete 1961 roster returning to wade through a 24 game schedule. There are 8 home games, including such games as Nichols State, William Carey, and Delta State.

## CROSS COUNTRY

The Mississippi College Cross Country team competed against several outstanding teams in the fall of '61. Included among these competitors were Memphis State, Southwestern, and Louisiana Tech. In addition to these meets, they participated in the Union meet and ended in the winners' bracket, placing third. Tom Honea, who is considered one of the finer distance runners in the South, was the outstanding participant for Mississippi College. He was assisted ably by Bill Keesling and Billy Lamb and the rest of the fine squad. Over all, the season was favorable and all indications are that they will give us an even better season next year.

The cheerleaders of Mississippi College this year have displayed the type of tremendous spirit which is so vital to any school to promote and perpetuate a winning season in any sport. They were led in their spirited endeavor by Miss Sue Worsham. She proved a capable and congenial leader, and

with the help of her colleagues, has given us a cheerleading staff of which to be proud.

Our thanks are due to this great group of cheerleaders, who have given of their time, talent, and charm to help promote the winning spirit of Mississippi College.

## THE STUDENT G

### STUDENT BODY ASSOCIATION

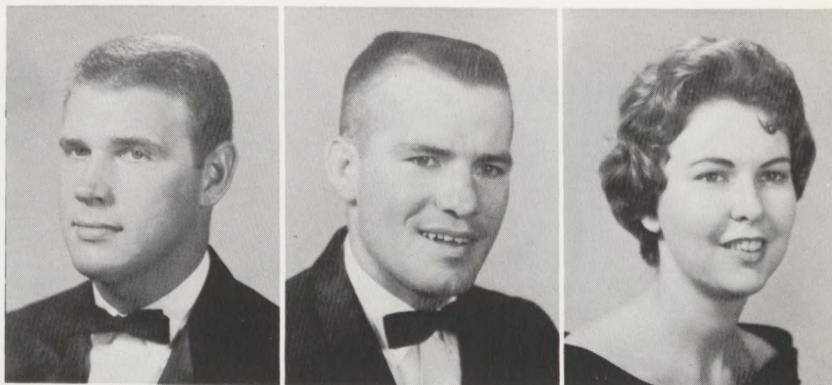

The Student Body Association of Mississippi College, patterned after our own national government, is composed of three branches, the executive, the legislative, and the judicial. These three branches are headed by the President, Vice-President, and Chief Justice respectively. In the year 1961-1962 the SBA enjoyed tremendous success in many aspects. Some of the notable successes achieved included: the S.B.A.-sponsored musical, "Oklahoma!", which proved to be profitable entertainment-wise and financially, and also promoted a great deal of good will toward the college; the Film-of-the-Week series which offered top films of recent years; a revamping of the S.B.A. Constitution to provide for Men's and Women's Affairs Boards; the S.B.A. scholarships awarded this year to John Speights, Sue Worsham, and Benny Curtis; formation of a Tri-College Council made up of the presidents of the student bodies from Belhaven, Millsaps, and Mississippi College; sponsorship of the outstanding singing group, the Lime-lighters; and the Pow Wow, an entire day of festivities at Roosevelt State Park. A closer bond of communication between the S.B.A. executives and the student body was initiated this year with the "Executive Corner," a column in the *Collegian*.

## THE JUDICIAL COUNCIL

The Student Judicial Council is unique in its relationship to the student body in that it deals with disciplinary problems that arise as well as interprets the SBA Constitution when the need arises.

The council this year heard more cases during their term of office than any previous council; they displayed superlative judgment and maturity in coping with a widely divergent number of problems that came before them. In the future the Judicial Council will deal with both men and women students as provided for by the new SBA Constitution. This group serves as a link, intercedent, and liaison between the student and administration in all disciplinary matters.
